RE: High Risk Rural Roads Program HSIP Supplemental Funding

Correspondence from this office, dated May 7, 2008, informed you of a FY 2008 Supplemental HRRRP Project Funding call for applications. As elaborated in this correspondence, these applications were called for in an effort to obligate additional HSIP funding allocated to the FY 2008 High Risk Rural Roads Program.

Please be advised that the HSIP funds are no longer available for obligation within the High Risk Rural Roads Program. Therefore, please discontinue any efforts to prepare and/or review the Supplemental HRRRP Project Funding applications called for in my May 7, 2008 correspondence.

I wish to offer my apologies to those of you who have expended the time and effort toward the preparation of these applications. If you have questions or comments concerning this matter, please do not hesitate to contact me.
